**DEBTOR'S THIRD OMNIBUS MOTION FOR ENTRY OF AN
ORDER (I) AUTHORIZING AND APPROVING THE REJECTION OF
CERTAIN EXECUTORY CONTRACTS AND (II) WAIVING THE
REQUIREMENTS OF BANKRUPTCY RULE 6006(f)(6)**

Volunteer Energy Services, Inc., as debtor and debtor in possession (the “Debtor”) in the above-captioned chapter 11 case (the “Chapter 11 Case”), hereby submits this motion (the “Motion”) for entry of an order pursuant to section 365 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 6006 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 9013-1 Local Rules of the United States Bankruptcy Court for the Southern District of Ohio, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”), (i) authorizing the Debtor to reject the Rejection Contracts (as defined below) pursuant to which the Debtor supplies its customers (the “Customers”) with natural gas or electricity; (ii) finding and deeming that notice of this Motion and the proposed rejection set forth herein was good and sufficient with respect to all required parties; and (iii) waiving the requirements of Bankruptcy Rule 6006(f)(6) with respect to this Motion. The specific contracts (collectively, the “Rejection

Contracts”) that the Debtor seeks authority to reject by and through this Motion are identified on the following Exhibits:

Exhibit B – Municipal aggregation agreements (“Agg Agreements”)² for the supply of electricity (the “Electric Agg Agreements”);

Exhibit C – Contracts with the underlying Customers under Electric Agg Agreements (the “Customer Electric Agg Contracts”);

Exhibit D – Agg Agreements for the supply of natural gas (the “Gas Agg Agreements”);³

Exhibit E – Contracts with Customers for the supply of electricity that are not subject to Agg Agreements (the “Customer Electric Non-Agg Contracts”);

Exhibit F – Contracts with Customers for the supply of natural gas that are not subject to Agg Agreements (the “Customer Gas Non-Agg Contracts”); and

Exhibit G – Contracts with Customers being supplied natural gas under the General Transportation Service (“GTS”) program (the “GTS Customer Contracts”).

The Debtor requests that the rejection of the Contracts be effective as of the Petition Date (as defined below). In support of this Motion, the Debtor relies upon the *Declaration of David Warner in Support of the Chapter 11 Petition and First Day Pleadings* (Doc. 26) (the “First Day Declaration”),⁴ and respectfully states as follows:

² Municipal aggregation is the process by which a municipality combines (or “aggregates”) the retail electric and/or natural gas load of its residential and small commercial constituents and negotiates a rate with a competitive energy supplier to provide the customers' electric and/or natural gas supply.

³ A list of the accounts of the underlying customers to which the Debtor supplies natural gas under the Gas Agg Agreements identified on **Exhibit D** is attached thereto as **Exhibit D-1** (the “Agg Gas Customers”). The Debtor does not have contracts with the Agg Gas Customers and thus, there are no executory contracts between the Debtor and the Agg Gas Customers subject to rejection. Accordingly, the Debtor is not seeking relief as to any accounts identified on **Exhibit D-1**. To provide as much information as possible to interested parties, however, the Debtor included a list of the underlying accounts to the Gas Agg Agreements.

⁴ Capitalized terms used but not defined herein have the meanings ascribed to them in the First Day Declaration.

JURISDICTION AND VENUE

1. The United States Bankruptcy Court for the Southern District of Ohio (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Standing Order of Reference entered in this District.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The bases for the relief requested herein are Bankruptcy Code sections 105(a) and 365, Bankruptcy Rule 6006, and Local Rule 9013-1.

BACKGROUND

4. On March 25, 2022 (the “Petition Date”), the Debtor commenced the Chapter 11 Case by filing a petition for relief under chapter 11 of the Bankruptcy Code.

5. The Debtor continues to operate its business and manage its property as a debtor in possession pursuant to Bankruptcy Code sections 1107(a) and 1108.

6. The Office of the United States Trustee appointed a creditors’ committee on April 1, 2022 (Doc. No. 83). No other official committee, trustee, or examiner has been appointed in the Chapter 11 Case.

7. A description of the Debtor’s business operations, capital structure, liquidity issues, and circumstances leading to the chapter 11 filing is set forth in the First Day Declaration, which the Debtor incorporates herein by reference.

8. As of the Petition Date, the Debtor had approximately 212,000 Customers located throughout Ohio, Michigan, Pennsylvania, and Kentucky.

9. On April 4, 2021, the Debtor filed the *Expedited Motion for Entry of an Order (I) Authorizing and Approving a Private Sale of Certain of the Debtor’s Customer Contracts Free and Clear of All Liens, Claims, Interests, and Encumbrances; (II) Authorizing the Assumption*

and Assignment of Certain of the Debtor's Customer Contracts; (III) Waiving the 14-Day Stays Imposed Under Bankruptcy Rules 6004(h) and 6006(d); and (IV) Granting Related Relief (Doc. 95) (the "Sale Motion"). Pursuant to the Sale Motion, the Debtor seeks to, among other things, sell certain of its Customer contracts to NRG Retail LLC (the "Sale").⁵

10. The Debtor's remaining Rejection Contracts with approximately 188,000 Customers are not part of the assets subject to the Sale, do not benefit the Debtor's estate, and the Debtor is no longer able to honor its obligations thereunder.⁶ More specifically, the Debtor does not have the liquidity necessary to purchase electricity and natural gas that the Debtor would in turn supply to the Customers. The Debtor seeks to reject the Rejection Contracts effective as of the Petition Date.

RELIEF REQUESTED

11. The Debtor seeks entry of an order, substantially in the form of the Proposed Order attached hereto as **Exhibit A**, (i) authorizing the Debtor to reject the Rejection Contracts identified on **Exhibits B-G**, effective as of the as of the Petition Date; (ii) finding and deeming that notice of this Motion and the proposed rejection set forth herein was good and sufficient with respect to all required parties; and (iii) waiving the requirements of Bankruptcy Rule 6006(f)(6).

⁵ The Contracts proposed to be purchased are identified on Schedule 2.07(b) to the Asset Purchase Agreement filed at Doc. 103.

⁶ In accordance with the Agg Agreements and underlying contracts, the Debtor will provide notice of this Motion on the billing addresses for counterparties to each of the Rejection Contracts identified on **Exhibits B-G**.

BASIS FOR REQUESTED RELIEF

I. Rejection of the Rejection Contracts Constitutes a Sound Exercise of the Debtor's Business Judgment.

12. Bankruptcy Code section 365(a) provides that a debtor may reject any executory contract “subject to the court’s approval.” 11 U.S.C. § 365(a). A contract is considered executory when the obligations of the parties to the contract “are so far unperformed that the failure of either to complete the performance would constitute a material breach excusing the performance of the other.” *In re Terrell*, 892 F.2d 469 (6th Cir. 1989). Courts routinely approve motions to reject executory contracts upon a showing that such action will benefit the debtor’s estate and is an exercise of the Debtor’s sound business judgment. *Mission Prod. Holdings, Inc. v. Tempnology, LLC*, 139 S. Ct. 1652, 1658 (2019) (“The bankruptcy court will generally approve [the] choice [to assume or reject an executory contract] under the deferential ‘business judgment’ rule.”); *NLRB v. Bildisco & Bildisco*, 465 U.S. 513, 523 (1984) (the traditional standard applied by courts to authorize the rejection of an executory contract is that of “business judgment”).

13. Courts generally will not second-guess a debtor’s business judgment concerning the rejection of an executory contract absent a showing of bad faith or gross abuse of discretion. *See Allied Tech., Inc. v. R.B. Brunemann & Sons, Inc.*, 25 B.R. 484, 495 (Bankr. S.D. Ohio 1982) (the court should approve the debtor’s decision unless it “is clearly erroneous, too speculative, or contrary to the provisions of the Bankruptcy Code”); *see In re Wheeling-Pittsburgh Steel Corp.*, 72 B.R. 845, 849 (Bankr. W.D. Pa. 1987) (the debtor’s business judgment should not be second guessed unless there is evidence of bad faith or gross abuse). The “business judgment” test is not a strict standard and requires only a showing that rejecting the executory contract will benefit the estate. *See In re Bildisco*, 682 F.2d 72, 79 (3d Cir. 1982) (“usual test for rejection of an executory contract is simply whether rejection would benefit the estate”), *aff’d*, 465 U.S. 513

(1984). Further, “[s]ection 365 enables the trustee to maximize the value of the debtor’s estate by . . . rejecting” executory contracts that do not benefit the estate. *In re Rickel Home Ctrs., Inc.*, 209 F.3d 291, 298 (3d Cir. 2000).

14. As discussed above, the Debtor is no longer able to honor its obligations under the Rejection Contracts, and the Debtor expects that all of the Customers have been or soon will be returned to default service (however defined under applicable state law or by the applicable electric utility or natural gas local distribution company) at the applicable electric utility, natural gas local distribution company, or, to the extent required by state law, such other electric or gas company providing such service. As such, the Rejection Contracts no longer serve any business purpose. Thus, for these reasons, the Debtor, in its sound business judgment, has determined that rejection of the Rejection Contracts is in the best interests of its estate and, accordingly, the Rejection Contracts should be rejected.

II. Rejection as of the Petition Date

15. Although Bankruptcy Code section 365 does not specifically address the retroactive rejection of executory contracts and unexpired leases, numerous courts have authorized retroactive rejection where principles of equity supported such authorization. *See, e.g., Pac. Shores Dev., LLC v. At Home Corp. (In re At Home Corp.)*, 392 F.3d 1064, 1065–66 (9th Cir. 2004) (affirming bankruptcy court’s approval of retroactive rejection); *Thinking Machs. Corp. v. Mellon Fin. Servs. Corp. (In re Thinking Machs. Corp.)*, 67 F.3d 1021, 1028 (1st Cir. 1995) (holding that, with respect to lease rejection pursuant to section 365 of the Bankruptcy Code, “bankruptcy courts may enter retroactive orders of approval, and should do so when the balance of equities preponderates in favor of such remediation”); *In re Artemis Laser & Vein Center, LLC*, Case No. 14-55300, Docket No. 71 (Bankr. S.D. Ohio Sept. 26, 2014) (ordering

that the rejection was effective as of the petition date, which was approximately one month prior to the date the motion was filed).

16. The balance of equities in this Chapter 11 Case favors authorizing the Debtor to reject the Rejection Contracts effective as of the Petition Date. Any postponement of the effective date of rejection of the Rejection Contracts may potentially cause the Debtor to incur unnecessary obligations under the Rejection Contracts without providing any corresponding benefit to the Debtor's estate. Further, allowing the Debtor to reject the Rejection Contracts will not unduly prejudice the counterparties to the Rejection Contracts (the "Counterparties") because they will receive proper notice of the Motion and the proposed rejection, and, regardless of the date of rejection, will be returned to default service due to the Debtor's inability to perform under the Rejection Contracts.

III. The Noticing Procedures

17. The Debtor will provide notice of this Motion upon the Counterparties as follows: The Debtor will serve each Counterparty with a completed notice of hearing regarding this Motion, the form of which is attached hereto as **Exhibit H** (the "Hearing Notice"), and a regulatory notice (the "Regulatory Notice") regarding the anticipated termination of the Counterparty's particular Rejection Contract(s) with the Debtor.⁷

18. The Hearing Notice will, *inter alia*, advise the Counterparties (a) that the Debtor has filed the Motion; (b) that, if a Regulatory Notice is enclosed with the Hearing Notice, the Debtor has determined that the recipient is a counterparty to, or is an agent or representative of a counterparty to, one or more of the Rejection Contracts that the Debtor is seeking authority to

⁷ The Customers associated with accounts identified on **Exhibit D-1** are not counterparties to executory contracts (*see* n.3, *supra.*) and thus, those Customers will not receive a Hearing Notice. Those Customers will, however, receive Regulatory Notices.

reject; (c) that, through the Motion, the Debtor is seeking authority to reject certain Rejection Contracts, including those listed on the Regulatory Notice; (d) that free copies of the Motion and other documents filed in the Chapter 11 Case may be obtained by visiting the website for this Chapter 11 Case or contacting the Debtor's claims and noticing agent; and (e) of the Hearing Date, the deadline to object or respond to the Motion, and the process for doing so.

19. Although the Regulatory Notices may vary slightly from state to state, all Regulatory Notices will, *inter alia*, (a) inform the Counterparties that the Debtor has commenced a chapter 11 case; (b) state that certain service contracts that the Counterparty has with the Debtor will be terminated; (c) specifically identify each of the Rejection Contract(s) for that particular Counterparty that will be terminated; and (d) assure the Counterparty that there will be no interruption in service due to the termination of such Contract(s) and the resulting transfer of service to the default service provider.

20. The Debtor believes that the Hearing Notice and the Regulatory Notice will provide the Counterparties with appropriate and necessary information regarding the relief sought herein, and that service of the Hearing Notices and Regulatory Notices on the Counterparties should be deemed good and sufficient notice of this Motion.

IV. Waiver of the Requirements of Bankruptcy Rule 6006(f)(6) is Appropriate.

21. By the Motion, the Debtor seeks to reject more than 100 Rejection Contracts. Bankruptcy Rule 6006(f)(6) limits an omnibus motion to reject multiple executory contracts "to no more than 100 executory contracts." However, the 2007 Advisory Committee Note to Rule 6006 states that "[a]n omnibus motion to assume, assign, or reject multiple executory contracts and unexpired leases must comply with the procedural requirements set forth in subdivision (f) of the rule, unless the court orders otherwise." Thus, courts will waive the requirements of

Bankruptcy Rule 6006(f)(6) for cause. *See, e.g., In re Old Carco LLC*, 406 B.R. 180, 207–10 (Bankr. S.D.N.Y. 2009) (permitting the rejection of more than 100 agreements through one motion when the rejected agreements were (i) substantially similar and counterparties could easily find their names, (ii) subject to a single comprehensive analysis by the debtors, and (iii) being rejected and not assigned to the reorganized entity).

22. The Debtor respectfully submits that cause exists to waive the requirements of Bankruptcy Rule 6006(f)(6). First, all of the Rejection Contracts are of the same type and purpose, as all relate to the supply of gas or electricity by the Debtor to its Customers. Second, the Debtor's rationale for rejecting the Rejection Contracts, and the legal and factual support for these determinations, apply equally to all Rejection Contracts. Third, as described above, the Debtor is providing individualized notice to each Counterparty by identifying only the specific Rejection Contract(s) relevant to that Counterparty on the Regulatory Notice. Thus, the Debtor submits that the proposed notice procedures for the relief requested herein will result in a more targeted and complete notice to the Customers than if the Debtor filed numerous motions to reject, included a list of 100 contracts for rejection with each motion, and the Customers had to search through each list to determine if their Rejection Contract was listed thereon. Under these circumstances, allowing the Debtor to seek rejection of all of the Rejection Contracts by and through this Motion should not be burdensome or confusing to the Customers, and it will help preserve the already strained resources of the bankruptcy estate. Accordingly, the Debtor submits there is good cause for the Court to waive the requirements of Bankruptcy Rule 6006(f).

MOTION PRACTICE

23. This Motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of their application to this Motion. Accordingly, the Debtor submits that this Motion satisfies Local Rule 9013-1(a).

RESERVATION OF RIGHTS

24. Nothing contained herein or any actions taken pursuant to such relief requested is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtor under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtor's or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in this motion or any order granting the relief requested by this motion; (e) a finding that any particular claim is an administrative expense claim or other priority claim; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtor's estate; (g) a waiver or limitation of the Debtor's, or any other party in interest's, rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtor that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

NOTICE

25. The Debtor will provide notice of this Motion to: (a) the United States Trustee; (b) counsel to PNC Bank, National Association; (c) the holders of the 20 largest unsecured claims against the Debtor; (d) all official committees appointed, as of the filing of this Motion, in

the Chapter 11 Case and their counsel; (e) the offices of the attorneys general for Ohio, Pennsylvania, Michigan, Kentucky, and West Virginia; (f) the United States Attorney's Office for the Southern District of Ohio; (g) the Internal Revenue Service; (h) the Debtor's state and local taxing authorities in Ohio, Pennsylvania, Michigan, Kentucky, and West Virginia; (i) the Public Utilities Commission of Ohio, Pennsylvania Public Utilities Commission, Kentucky Public Service Commission, and Michigan Public Service Commission; (j) the U.S. Environmental Protection Agency; (k) the Federal Energy Regulatory Commission; (l) the Counterparties, in the form and manner described above; (n) the Debtor's energy suppliers; (o) the local distribution companies for all jurisdictions in which the Debtor operates; and (p) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtor submits that, in light of the nature of the relief requested, no other or further notice is required.

NO PRIOR REQUEST

26. No prior motion for the relief requested herein has been made in this or any other court.

WHEREFORE, the Debtor respectfully requests that the Court enter the Order, substantially in the form attached hereto as **Exhibit A**, authorizing the Debtor to reject the Rejection Contracts and granting such other and further relief as the Court deems appropriate.
